October 15, 2007

Dear Member/Patron,

Whether you came to Dahlgreen a handful of times or every day, we trust you all enjoyed your Dahlgreen experience as much as we enjoyed seeing you in 2007.

The course (boy, this is getting to be redundant, and that's a good thing) was once again kept in outstanding condition by Keith and his crew. We had some extremely hot, dry weather to help amplify our concerns with the current irrigation system. During this time, the staff did a great job keeping the course mostly green. Automatic, double-row irrigation is still on our wish list. Thanks again to Keith and his crew. The greens were once again highly praised by many throughout the season.

It was fun to see the "wow" factor from those familiar with the remodeling changes. The Willows Restaurant, our new product, is on its feet, gaining traction, and moving forward. Thanks to all who continue to support us.

Below is a snapshot of course availability during our busy time (June-Aug.). It's to show that, although semi-private, the course is set aside at times to accommodate leagues and company outings. So, the membership is still a "golf when you *can*" as much as a "golf when you *want to*" situation. Hopefully, the times you *want to* golf match the times you *can*. Call or e-mail if you have questions before joining. An idea that our Golf Pro is working on is to host a college match. That, he tells me, would take up a portion of an entire weekend. Just giving potential members the heads-up.

Monday: Corporate Outings (Shotguns, F& B)	Tuesday: Ladies League 7:30am-9am 3:30pm-5:30pm	Wednesday Leagues From 3:30 To 6:30	Thursday: Men's League 11:00am-6:30pm	Friday: Corporate Outings. Mostly Open Play. Every other Friday Couples League	Weekends: Mornings are 96% sacred to the membership. Some club sponsored tournaments. Everyone is welcome to play.
---	--	--	---	--	--

Players Passes were well received and will continue to be a product on our shelf.

Sincerely,

Dahlgreen Board of Directors
